The City Council being the highest authority to address community concerns, I'd like to plead my concerns regarding an eyesore in the community, and continued city code violations by Mr. Parker at 1017 Kent Street and to clarify once and for all the reasons he has been allowed to be in non-compliance to NIS policies & city ordinances for years. Mr. Parker piles junk in front of, on the side of and in the rear of his house, and I've fought tooth & nail to have this matter resolved. Vehicles are removed & only returned to meet NIS' "new occurrence" violation. This must be resolved!
